1. Includes all people who stated each ethnic group, whether as their only ethnic group or as one of several. Where a person reported more than one ethnic group, they were counted in each applicable group.

2. Middle Eastern, Latin American, and African was introduced as a new category for the 2006 Census. Previously Middle Eastern, Latin American, and African responses were allocated to the 'other ethnicity' category.

3. Consists of responses for a number of small ethnic groups and for New Zealander. New Zealander was included as a new category for the 2006 Census.

4. Excludes residual categories (not elsewhere included).

5. Consists of don't know, refused to answer, response unidentifiable, response outside scope and not stated.

6. Excludes absentees. Persons temporarily absent from the dwelling on census night.

7. Client-specified as 5-18 Years, though dependent children cannot be 18 years of age, therefore in practical terms 5-17 Years.

Confidentiality rules have been applied to all cells in this table, including randomly rounding to base 3.

This data has been randomly rounded to protect confidentiality. Individual figures may not add up to totals, and values for the same data may vary in different tables. ..C has been inserted in cells that have been suppressed for confidentiality reasons.
